BATTLE LINE EXTENDS TO BELGIAN FRONTIER IN NORTH

Loss of Life Not So Great As Artillery Duels Now Succeed Infantry Charges

Opposing Forces Wildly Discard Military Science And Hurl Themselves On

Riflemen Placed by Batteries Masked Along the River Heights, Shoot at Longer Range--German Force of Artillery, 20,000 Strong, Said to be Moving Southward Through Belgium

FRANCE IS NOW LAYING MANY MINES IN ADRIATIC

Following Example of England and Germany In North Sea--It is Thought That Germans Are Now Seeking to Crush the Extended Line of the Allies' Left Which Has Been Threatening to Envelop Von Kluck's Army--French and English Troops Now Outnumber Germans.

Paris, Oct. 7.—(Associated Press Telegram.) Captive balloons to discover and observe the movements of the allied armies and to operate searchlights to point out the positions and to blind the defense during night attacks are being used by the Germans in the great battle to the north and east of Paris which still is without definite result.

Military science is frequently lost sight of and the contest becomes merely the hurling of forces against one another.

NIGHT COMBATS FORCED BY GERMANS.

Night combats have become an important element in the action. They are frequently forced by the Germans and as often repulsed by the allies. They are telling of the stamina of the troops on each side, many of whom already are worn out on the firing line in the seemingly unending struggle.

The French public who throughout have shown a calm are patiently awaiting a decision. The changing actions are various points along the battle line, as indicated by the war office statement furnish opportunity for diversified comment as to their significance.

CRITIC SEES PERIL IN FLANK MOVE.

Lieut. Colonel Roussett, the military critic of La Liberte, sees in the latest maneuvers of the Germans an element of danger. A large spreading movement on the flank of an adversary, he says, can have the inconvenience, generally grave, of enlarging the space which exists between the moving troops and those on the front. This must necessarily have a reasonable limit under the risk of transforming the plan into a detached operation simply, which would be very perilous for those executing it.

Such a movement, moreover, says Lieutenant Colonel Roussett has hardly a chance of succeeding and only so when not discovered which does not appear to be the case, judging from the war office statements.

GERMAN ARMY'S GREAT TECHNIQUE.

General Pierre Cherfilis, in commenting on the situation declares that the material organization of the enemy really is powerful and that all the French wounded are unanimous in saying that the Germans have had excellent instructions and that from a technical point of view they fight with a remarkable method.

The Germans know he says, how to be patient and to wait. They realize the ground with real art. They make themselves invisible and have many a gruesome surprise to the impetuosity of the French. Their machine guns are very numerous and sometimes grouped. They are always hidden, often set at the edge of the woods seeking to have an oblique fire. The German first lines of march, General Cherfilis continues, are covered with sheaves of corn or are well concealed.

MARKSMEN SINGLE OUT OFFICERS.

With the advance of them are their elite marksmen. Nearly all the French officers who lost their lives, says the general, were killed by these firers who always were hidden. Their junction with diverse units is complete and the accord between the artillery and the infantry is of a permanent intimacy. The infantry advances only when supported by the artillery. If their technical supremacy is manifest their moral inferiority, he says, stands out. They fight two or four against one and nearly always flee in front of the bayonet.

CASH REGISTER LAWYER ARGUES "NO RESTRAINT"

Cincinnati, O., Oct. 7.—The government's anti-trust prosecution of the National Cash Register Company, of Dayton, Ohio, was resumed in the United States circuit court of appeals today. The hearing is to decide whether fines and sentences now hanging over twenty seven officers and previous officers of the company are to be carried into effect. It was expected that the hearing would come to a close late today. For the cash register company Attorney Lawrence Maxwell argued that the government had failed to prove that there has been any conspiracy by the defendants for the restraint of trade and unfair competition as has been alleged. Following Mr. Maxwell an array of attorneys for the defense were to be heard.

LANGFORD WON BY A KNOCKOUT

Boston, Oct. 7.—Sam Langford, the negro heavyweight last night knocked out Colin Bell, of Australia in the fourth round of a scheduled 12 round bout. The men fought a 15 round draw in Australia a year ago.

German Destroyer Was Sunk By a Mine in the North Sea But Cruiser Rescues Crew

London, Oct. 7.—A German torpedo boat destroyer, cruising off the Estuary of the Ems, in the North Sea, has been sunk by a mine, according to a dispatch from Amsterdam to the Reuter Telegram company.

This news reached Amsterdam in a dispatch from the Island of Schiermonnik, one of the Frisian Islands in the North Sea belonging to Holland. This message says that at the time of the disaster, 11 o'clock this morning, the destroyer was to the north-west of Schiermonnik, not far from the estuary of the Ems.

Observers on the island heard a sudden explosion, and a huge mass of water arose from under the bows of the destroyer. The boat keeled over and disappeared under the waves within three minutes.

The periscopes of two submarines appeared on the scene. Their nationality could not be ascertained, but they probably were German. A German cruiser arrived from the Ems estuary, the dispatch received in Amsterdam relates, in time to save the crew of the destroyer.

Belgian Rapid Fire Gun Drawn By Dogs In Fight Around Antwerp.

The work done by these intelligent dogs in drawing Belgian rapid fire guns has been described by those who have seen them in action as almost marvellous. The dogs have dashed in to battle with the men, and at times under fire they have crouched down quietly while the soldiers operated the guns with deadly effect into the German ranks.

Turkish Ambassador Stands by His Interview On American Lynchings

New York, Oct. 7.—A Rustum Bey, Turkish ambassador to the United States, called for Naples on the Italian liner Stampalia today after announcing that he stood by the interview he gave in Washington recently and that he intended to return to the United States.

The Turkish ambassador declined to say where and how he had spent the last few days in New York. His friends and the Turkish consul general here have disclaimed knowledge of his whereabouts. He was booked to sail on the Saint Anna yesterday but cancelled his engagement at the last moment.

BOSTON ROOTERS STOP A DAY IN NEW YORK CITY

New York, Oct. 7.—A delegation of 350 Boston National League club rooters, enroute for Philadelphia to attend the first games of the world's series Friday will be in New York tomorrow and have arranged to attend the opening game of the city championship series on that day between the Giants and Yankees.

The National Commission is to hold a meeting in this city tomorrow morning so as to instruct the umpire of the local championship and those of the world's series in their duties. It is expected President Barrow and the club presidents of the International League will attend the Giants-Yankee game in a body. A meeting of the International League has been called for in this city Thursday morning.

ACCIDENTS IN QUARRIES WERE FEWER IN 1913

Washington, Oct. 7.—Fatalities in and about quarries in the United States were fewer in 1913 than 1912 but were higher than in Great Britain and France, for the corresponding years. Figures issued by the federal bureau of mines today show that 133 men were killed in 1913 compared with 213 in 1912, a decrease of 37 per cent. The number of men employed was 106,275 and the death rate per 1,000 was 1.22 compared with 1.88 during 1912. In France the death rate in 1912 was less than one in every 1,000 men employed. In Great Britain for the 10 years 1895 to 1904, the rate was 1.09 for every 1,000 men.

About two-thirds of the fatalities in the United States were caused by explosions, falls of quarry and haulage.

On the pier today he said: "I stand by the original interview that I granted at Washington. I have not resigned and I have not been recalled. I am still the ambassador from Turkey to the United States. I am going to Constantinople for several weeks on business and will then return to Washington. The only thing of any importance that I have heard lately is that on October 1 all the foreign postoffices in Constantinople had been closed but without ostentation."

The ambassador was asked whether the abrogation of foreign concessions in Turkey might lead to rioting and massacres.

REIMS STILL SUFFERS FROM BOMBARDMENT

London, Oct. 7.—A dispatch to the Times from Epernay, France, under date of October 3, states that the Northeastern suburbs of Reims are still under German and shell fire which is doing considerable damage. The shells apparently are intended for the French batteries in position just outside the town.

The panic among the inhabitants, the dispatch says, "has been increased through the action of German aeroplanes which are dropping bombs containing a high explosive in an attempt to destroy the railway station. So far this place has not been damaged but refugees report that fourteen persons were killed by one of the bombs."

WILSON HOPES FOR RETURN OF MEXICAN PEACE

Washington, Oct. 7.—(Associated Press Telegram.) President Wilson said today to be confident that the settlement between Carranza and Villa, the President had last night signed with Secretary Bryan and Consul General R. Sullivan was characteristic of the White House as merely a compromise for information.

It was said that Mr. Sullivan would return to Mexico.

The Chicago directors named are: Federal reserve agent and chairman of board C. H. Rosenthal, Chicago, deputy agent and vice chairman W. L. McAllen, Columbia, Ill.; Ind., Director Edwin T. Meredith, Des Moines, Iowa.

THIRTY SOLDIERS CAPTURE RAILROAD.

Peking, China, Oct. 7.—According to advices received here the railroad station at Chi-nan in Shan Tung province, west of Kiao Chow, has been occupied by thirty Japanese soldiers. One hundred and fifty more are expected tomorrow.

KING'S TREASURER DEAD.

London, Oct. 7.—Lieut. Col. Sir William Henry P. Carrington, keeper of His Majesty's privy purse since 1910, was found dead in bed this morning. He was born in 1845.

No Thought is Seemingly Taken of Results From A Tactical Standpoint or of Any Attendant Sacrifice of Life in the One Supreme Object to Be Obtained of Becoming Victorious

NIGHT COMBATS BECOME AN IMPORTANT FACTOR

These Are Frequently Forced By the Germans and Repulsed By the Allies, the Stamina of the Troops On Both Sides Standing Out Prominently--French Say Teutons Are Trained to the Minute and Fight With Remarkable Method--Sharpshooters Pick Off Allies' Officers.

The battle in the north of France continues with great violence. Neither side has made material gains so far as known.

The war office in its afternoon statement says that the battle front extends virtually to the Belgian frontier. The fighting is described as violent but no claim of advantage is made.

The German general staff announced today that the fighting on the German right wing had been successful.

Another wireless dispatch from Berlin says it is reported in government circles that two more forts at Antwerp, forts Kessel and Brochen, have fallen before the Germans.

The capitulation of the city is regarded in Berlin as close at hand. A dispatch from Amsterdam says that a German torpedo boat destroyer has been sunk by a mine off the estuary of the Ems in the North Sea. A British news agency declares that the German vessel was sunk by a British submarine.

A Peking dispatch quotes a German news agency as saying that Japanese forces have occupied the island of Yap of the Caroline group in the Pacific.

A report from Petrograd says that Russian heavy artillery is bombarding Przemyśl in Galicia, and that the Austrian field forces that attempted to relieve the fortress were defeated and compelled to retire.

Last night's German official statement said that the new Russian advance against East Prussia had been checked, and that Russian forces have been defeated in Russian Poland.

Tokio announces that the war office believes that the Japanese have sunk a German cruiser and two German gunboats in Kiao Chow Bay.

An official statement issued in Vienna today says that a German and Austrian force surprised the enemy in Russian Poland and drove the Russians back across the Vistula.

A Rotterdam correspondent reports that a new plan to convoke the Berne bureau in the interests of peace while not successful has been received with much sympathy.

London, Oct. 7.—With the exception of the left wing of the allied army, where there is reason to believe that lively actions are being fought the great battle front in the western arena of the war may today be described as a gigantic "sniping" engagement, in which riflemen have been replaced by batteries of heavy artillery, masked along the heights of the Aisne and the Meuse. These desultory artillery duels seem to have succeeded, the despatcher says, in inflicting heavy losses on the German right wing, which, during the early stages of the battle, both sides ought to clear out the extended lines of entrenched hostile troops.

One result of the present stage of operations has been a very appreciable diminution in the casualties. Observers recently at the front declare that the allies are well content to play this waiting game, they now outnumber the Germans and for this reason can give their troops rest, while the invaders must keep their men constantly in the trenches.

The most important development of the fighting in France is the reported movement of a German artillery, said to be 20,000 strong, southward through Belgium by way of Temple Neuve and Tournai in the direction of the French border. (Continued on Page 2, Col. 1.)

Count Zeppelin is at Wilhelmshaven on the North Sea where his staff is working day and night preparing a great German air fleet, presumably for a raid on England.

Following England's lead in the North Sea, where she felt compelled to imitate the German procedure of mine laying, France has announced a similar course in the Adriatic where several trading ships have been blown up recently by mines.

The only positive news made public in London up to the present time from the eastern arena is reports from the direction of the French border. (Continued on Page 2, Col. 1.)

Japanese Seize Railroad In China, and Siege Guns Ready to Bombard Tsing-Tau

Tokio, Oct. 7.—The belief was expressed at the war office today that the German cruiser Cormorant and two other German gunboats had been sunk in Kiao Chow Bay. The Japanese army has occupied the Shan Tung railroad as far west as Chi-nan.

THIRTY SOLDIERS CAPTURE RAILROAD.

Peking, China, Oct. 7.—According to advices received here the railroad station at Chi-nan in Shan Tung province, west of Kiao Chow, has been occupied by thirty Japanese soldiers. One hundred and fifty more are expected tomorrow.

Associated press from Chi-nan says no trains are running over the Shan Tung railroad.

The rolling stock has been collected mostly at Chi-nan. Germans from all along the line, including women and children, have taken refuge in Chi-nan.

The Japanese legations here says that siege guns are now ready for an attack on Tsing-Tau. The German garrison, the legation continues, will be summoned to surrender and opportunity will be given non-combatants to come out. The American legation in Peking has sent instructions to W. R. Peck, the American consul at Tsing-Tau to come out when this opportunity is offered. The Japanese have released the employees of the Shan Tung railroad previously held by them.

EXTENSION

OF LINK OF BATTLE, MADE NECESSARY BY THE ALLIES' FLANKING MOVEMENT

German Official Report Recites Successes in the West, Quiet in the East.

(ASSOCIATED PRESS TELEGRAM) Berlin, Oct. 7. — Via Amsterdam and London. — The following official communication was given out by the headquarters staff of the German army, the evening of October 6.

"Continuous French outflanking movements against our right wing have extended the battle front until it is now north of Arras. West of Lille and west of Lens (9 miles northwest of Arras) our advance guards are in touch with the enemy's cavalry.

No decision yet has been reached in our counter attacks along the line between Arras, Albert and Roye.

"The situation remains unchanged along the battle front between the Oise and the Meuse in the vicinity of Verdun, and in Alsace Lorraine.

"There is no news from Antwerp. "In the eastern theatre of the war the Russians advancing against East Prussia have been checked. We have been successful in our attack against the enemy near the town of Suwalki. This movement began yesterday.

In Russian Poland our troops on October 4 dislodged a Russian brigade of the Gardene Fusiliers from an entrenched position between Opatow and Ostrowiec. The Russians lost 3,000 prisoners and several machine guns.

"There was an engagement, Oct. 5, in the vicinity of Radom between our forces and two divisions and a half of Russian cavalry together with provisions of the Invincible reserves. The enemy was repulsed and driven back on Ivangorod."

OPPOSING FORCES

(Continued from Page 1.) that the two Russian columns invading Hungary are converging on Hosuneez and Huszt, towns about 150 miles from Budapest. These reports set forth that the Russians are attempting a junction with Serbian troops reported to be advancing from Semlin, but this seems hardly likely because of the enormous distances to be covered before these armies can hope to get in touch with each other.

In direct reports current in London made the declaration that the Russians still are pushing the German forces back in the direction of East Prussia. The Germans are declared to be greatly handicapped in this retreating movement because of the enormous number of horses which have died in the swampy country around Suwalki. As a consequence much of their artillery has had to be abandoned.

Another whisper of peace has been heard as a result of the efforts of the German peace association, whose president has been at The Hague to bring about a meeting of international pacifists. This meeting however is said to have failed because of transportation difficulties. The same reason has led to the abandoning of the attempt to convoke the Hague peace bureau.

The only other political news of importance is a rumor that the French government shortly will move back to Paris.

VON KLICK IS RESOURCEFUL; TURNS TABLES.

(ASSOCIATED PRESS TELEGRAM) London, Oct. 7. — The conflict along the rivers of northern France, although now in its 26th day shows fewer signs of an early end than it did two days ago.

Then General von Kluck appeared dangerously threatened by the enveloping movement of the allies' army. Today that resourceful German commander, having obtained from an unknown quarter heavy reinforcements, apparently is engaged in his turn, in attempting to outflank the French and British lines.

This counterstroke is viewed here as the supreme feature in the situation in the western theater of the war and its full significance can be gauged only by the actors who alone are privileged to witness the drama in which they are engaged.

MINES

BEING LAID BY GREAT BRITAIN MAY BLACKEN NEUTRAL PORTS OF HOLLAND

According to the View Taken in Germany—Guns Advanced To New Positions.

(ASSOCIATED PRESS TELEGRAM) Berlin, Oct. 7. (By wireless to Sayville, L. I.) — The British announcement concerning the laying of mines in the southern part of the North Sea is published in Berlin this morning.

Commenting on this measure it will be pointed out here that it virtually closes the channel to neutral shipping and that this belt of mines stretching between Ramsgate and Ostend constitutes an effective, although unofficial blockade of the ports of Holland. The prospects of navigation when by the storms of winter these mines loose from their anchorages, are not particularly pleasant.

The German admiralty has reiterated its declaration that German mines have been laid only along the coast of Great Britain.

News received here of the situation before Antwerp sets forth that the German big guns have been advanced to new positions for the bombardment of the inner forts. The military critic of the Lokal Anzeiger expresses the opinion that a heavy bombardment will be necessary before a breach in these closely linked fortifications can be made. He says desperate sorties may be expected.

No definite news of the situation in France or Galicia had been given out in Berlin today.

The German general staff in its report today on the situation in the western arena of the war, says the fighting on the German right wing in France has been successful.

Despite general expectations that a slight pause would be made in the advance of the Germans on Antwerp, it was reported today in government quarters that two more forts had fallen into German hands. They were Fort Keasel and Fort Broeckchen (respectively east and north of Lierre) which were no longer able to resist the destructive power of the German siege guns.

The capitulation of Antwerp, according to German military authorities can only be a matter of a couple of days.

BRITISH STEAMER SUNK BY MINE OF ENGLISH LAYING.

(ASSOCIATED PRESS TELEGRAM) London, Oct. 7. — A despatch to Reuters Telegram company from Ostend says that the survivors from the sunken British steamer Ardmore today declared that their vessel was struck by English mines. The Ardmore they said, did not sink until she had struck a third mine. At the first explosion a lifeboat took off the crew of 35.

The Ardmore, which was of 2,240 tons, left Calcutta, September 9, arriving at Falmouth October 4. She was then ordered to Antwerp but soon after sailing she ran into a mine field in the North Sea and was sunk.

GERMAN DESTROYER SUNK BY A MINE.

(ASSOCIATED PRESS TELEGRAM) London, Oct. 7. — A despatch received here from Amsterdam says that a German torpedo boat destroyer is reported to have been sunk by a mine off the Estuary of the river Ems, between the Netherlands and East Friesland in the North Sea.

AUSTRIAN BOATS ARE ALSO VICTIMS OF MINES.

(ASSOCIATED PRESS TELEGRAM) Paris, Oct. 7. — The Messagero publishes a despatch from Ancona, Italy, on the Adriatic, telegraphing the Rome correspondent of the Havas agency, which declares that four Austrian torpedo boats and two Austrian torpedo boat destroyers have been lost off the coast of Dalmatia as a result of coming in contact with mines.

The Ancona dispatch adds that a majority of the members of the crews of these six vessels lost their lives.

In the county of London there are 174 railway bridges crossing over streets.

FORMER LICKING RESIDENT BURIED AT COLUMBUS, O.

Among those from Newark and Licking county who attended the funeral of John R. Hughes, 88, a trunk and leather manufacturer in Columbus, were his nephew and niece, O. C. and Miss Irene Jones, his sisters-in-law, Mrs. Edward B. and E. W. Jones of Granville.

Mr. Hughes died in Columbus last Saturday and funeral services were held Tuesday. Mr. Hughes was born in Wales and came to Licking county about 70 years ago, settling in Granville. Later he moved to Columbus where he became prominent in business circles.

OHIO CROPS

GENERALLY FALL SHORT OF ESTIMATES, BUT STILL SHOW SATISFACTORY YIELD

October Report Just Issued Gives Interesting Statistics of the Fall Harvests.

(ASSOCIATED PRESS TELEGRAM) Columbus, O., Oct. 7. With the harvest almost through, the Ohio's wheat production for 1914 is estimated at 28,766,000 bushels, according to the October crop report issued today by the state agricultural commission. For several months the commission has insisted in its report that the crop would be approximately this, although the federal report declared the crop would produce about 43,000,000 bushels. The quality of the crop is estimated at 95 per cent, compared with an average.

The official crop report adds: "The average production is 18 bushels per acre."

"The correspondents estimate that 13 per cent. of the 1914 wheat crop still remains in producers' hands. The present estimated production is approximately one and a half millions more than the estimated production of 1913. The average production per acre is one bushel more than last year. Before Ohio can hope to produce a wheat harvest of 40,000,000 bushels it will be necessary to very materially increase the acreage."

"While the wheat acreage harvested was somewhat less than last year, the average production per acre exceeds the 1913 yield by two bushels. This will be the smallest oats production in a number of years."

"The average production of barley per acre exceeds that of 1913 but the total production shows this decrease."

"The ryegrass harvested was estimated at 16,123 acres. The average production per acre was 18 bushels. The crop is about 62,000 bushels short of the estimate of production of 1913."

"The present corn acreage is estimated at 2,901,070 acres, being 96 per cent. of the estimated acreage of 1913."

"The apple crop shows only 83 per cent. prospect as compared with that of last year."

Further information given by the report is as follows: "Wheat—estimated area harvested, 1,635,554 acres."

"Area planted as returned by township assessors, 1,489,990 acres; estimated product per acre, 30 bushels."

"Barley, fall and spring—area as returned by assessors 23,421 acres; product per acre, 24 bushels. Corn—Cut up for fodder 75 per cent.; average date for fodder cutting, September 21."

"Tobacco—prospect compared with average yield 84 per cent. Pastures—condition compared with average, 83 per cent."

"The total estimated oats production is 50,000 bushels short of the 1913 crop. The quality is 91 per cent. Barley production is estimated at 250,000 bushels short of last year's yield, with a 95 per cent. quality. There will be 2,888,167 bushels of rye, according to the report, and the quality is 97 per cent. average. Corn prospects are estimated at 89 per cent. compared with 83 per cent. at this time last year. The present acreage is estimated at 2,901,070 acres. The crop report says the corn production may equal that of last year, but it probably will not exceed that."

"The potato crop will be only 74 per cent. of last year's production, being estimated at 7,296,188 bushels."

This Is Ideal Weather For Suits

Buy Now And Get The Advantage of a Long Season See The Ones We Are Showing At, \$12.50--\$15.00 and \$18.75

At these three prices we show an assortment of styles that we will be unable to duplicate again for so little money. Charming adaptations copied from higher priced models in such materials as all wool poplin, chevrons, diagonals, broadcloth, men's wear serge, new shadow crepe, etc. The styles are beautiful, the Redington, basque and Cosack ideas predominating. Skirts show the new yoke and pleated effects. Only the best grade of guaranteed satin is used for lining coats. At the present time we have an unusually complete range of shades to select from, including black, navy, copen, Russian green, new brown, wistaria and plum. In this assortment will also be found some fur trimmed suits that are very recent arrivals. We simply ask you to investigate these remarkable garments before making any purchases.

Pretty Fabrics

New Weaves and Colors

BROADCLOTH \$1.00.

Fine French chiffon broadcloth in all the most popular shades. Full 52 inches wide. Would be good value if marked \$1.50, at a yard \$1.00

WHIPCORD SUITINGS 50c.

New fall whipcord suitings in all of the latest shades. An extremely suitable material for fall, at a yard 50c

SILK CREPES 50c.

Beautiful new printed silk crepes in a variety of pretty patterns and shades, 36 inches wide, an unequalled value at a yd. 50c

WOOL SERGES 50c.

Standard quality of all wool French serge in black, navy and all leading shades. Full 36 in. wide, extremely reasonable, at a yard 50c

SILK MESSALINE \$1.00.

A soft sheer quality of pure silk messaline in black and all colors, 36 inches wide, best \$1.25 quality, at a yard \$1.00

SILK MESSALINE 75c.

Pure silk messaline in every color imaginable, 27 inches wide. A quality that represents great value, at a yard 75c

Handsome Silk Dresses At \$13.95

FASHIONED ALONG LINES DISTINCTLY NEW.

These pretty creations are made from heavy silk messaline in a half Redington, and basque effect, the combination certainly making a pleasing and attractive appearance. The waist line is finished with a wide shirred girde, collars and cuffs finished off in white. A good range of shades to select from, including black, at each \$13.95

THIS—The Store For Children's Coats

BEARSKINS \$1.00—Coats for infants in sizes from 1 to 6 years, made from the best quality of curly white bear-skin. The kind that usually sell at \$2.75, at each \$1.00

NEW FUR FABRICS \$3.50—These coats are made from a pretty black pile fabric, a material very new this season. Comes in sizes up to 14 years, at each \$3.50

CHINCHILLAS \$5.00—Neat garments tailored from all wool chinchilla, with shepherd plaid lining. Comes in gray only, all sizes to 14 years, at each \$5.00

ASTRACHANS \$6.00—Beautiful coats tailored from best astrachan. Made with the new low belted effect. Trimmed with best seal plush, all colors and sizes, at \$6.00

CAPE COATS \$7.50—These practical garments are made with detachable cape, leaving a finished coat beneath. Tailored from a beautiful plaid zibeline, all sizes, each, \$7.50

NEAT DIAGONALS \$3.50—Coats in intermediate sizes from 6 to 10 years. Made from an all wool diagonal cloth in navy and copen, at each \$3.50

LOCAL ELKDOM WILL CELEBRATE BIG GALA DAY

Tuesday, Nov. 17, is going to be a gala day in local Elkdom for on that occasion the largest class in the history of the lodge, barring its installation, will be initiated. The exercises will begin promptly at 2 o'clock in the afternoon and will continue until 8 o'clock when a banquet will be served. The work will be put on by one of the best teams in the state and a famous Elk quartette and glee club will be present to help enliven the occasion. An orchestra of twelve pieces will furnish music throughout the afternoon and evening. One of the well known caterers of the city with an efficient corps of waiters will serve the banquet immediately at the conclusion of the initiatory ceremonies.

Grand Exalted Ruler Fletcher S. Scott, assisted by his retinue of officers is working hard to make the affair a grand success and there is no doubt but that their efforts will be well rewarded for every Elk in the city is boosting the big event. Those who on that night become members of the great brotherhood of the "best people on earth" will never have cause to regret it.

At the meeting last evening all preliminary arrangements were made by the membership committee which has full charge. Three new members were accepted last evening, Messrs. J. M. Caldwell, William Hopkins and E. Stanley Moore. A committee was also appointed to take charge of the semi-monthly entertainments for the ladies. This will be a feature which will be highly enjoyable to all mothers, wives, daughters and sweethearts of Elks.

AEROPLANE DISABLED.

Paris, Oct. 7.—A dispatch from Troyes, France, to the Havas agency states that an announcement comes from Romilly sur Seine a town 23 miles northwest of Troyes, that the French brought down a German aeroplane while it was flying over that city yesterday.

Line Four Blocks Long Wait Many Hours to Buy Tickets For World Series Games

(Associated Press Telegram)

Philadelphia, Oct. 7.—The Boston Braves, champions of the National League, are in this city preparing for the opening of the world's series here on Friday when they meet the Philadelphia Athletics, winners of the American League race. The Bostonians, who ended their National League schedule in Brooklyn yesterday, planned a light practice this morning on the National League grounds, while the present world's champions expect to work out at Shibe Park where the first two games of the series will be staged. The National League players will all get a line on their opponents when they view the contest between the Athletics and New York in the farewell game of the American League schedule today.

Neither of the opposing managers has indicated who will be his pitching selection for the opening game, but a majority of the critics believe that Bender, the veteran Indian twirler, will be Connie Mack's selection, and that he will be opposed by James, who they figure is the best fitted of the Boston mound men to repeat during the short series if necessary. Manager Stallings says that he has not yet made up his mind whether James, Tyler, Rudolph or one of the other Boston pitchers will be given the honor of opening the series. He declared last night, however, that Deal will be chosen to fill the berth at third base, left vacant by the injury of Smith.

The long line of men and boys waiting for the opening of the ticket sale at 9 o'clock today represented a sorry spectacle at daybreak. Many of them had been in line for 48 hours, snatching only what sleep they could by reclining on soap boxes, camp stools and chairs. From the entrance to the department store where the tickets will be placed on sale, the line stretched for nearly four blocks with only two breaks at street crossings to allow the passage of traffic.

From time to time vendors of hot sausage and edibles of various kinds hawked along the line and new arrivals would make things lively until they, too, exhausted by the long wait.

JOSEPH RENZ
NOTARY PUBLIC, REAL ESTATE AND INSURANCE
Office No. 734 West Side Square
Over Sample Shoe Store.
Deeds and Mortgages written. All business entrusted to me will be promptly and carefully attended to.

Cox vs. Willis.

During the last few days there seems to be a very noticeable and decided change throughout the state in favor of the candidacy of Governor Cox.

The voters are becoming tired of the flickering, unstable and unsatisfactory explanations of Mr. Willis regarding his past record and the future policy he would pursue if elected Governor. In fact, he seems to have no future policy at all, but spends a greater part of his time explaining his former record and the platform upon which he stands with both feet.

One's against this wavering method of Mr. Willis, every one admires the frankness and courage of Governor Cox in handling the great and important issues in this campaign. Every one knows just where he stands and runs no risk in supporting him. He frequently asks Mr. Willis which one of the new laws he desires to abrogate, but the standpat machine will not let him answer. Mr. Willis is running under cover with the intention of crippling President Wilson's administration to the extent of his ability. These and many other reasons that could be given are attracting the masses to Governor Cox whose election is now predicted at from 75,000 to 100,000.

Fire Prevention Day.

State fire marshals, the federal authorities and fire prevention experts generally have estimated the proportion of fires due to preventable causes at between 25 and 50 per cent of the total number of fires. The Texas state insurance board, an official body, holds that practically 80 per cent of the fires are preventable by the exercise of reasonable care and protection, individual and municipal.

The fire waste of the country is excessive, and is sapping its prosperity. Reduction of the fire waste is an important part of the campaign for the conservation of the national resources.

Fire losses in the United States and Canada in 1912 were \$225,320,000.

Oct. 7 in American History.

1777—Battle of Stillwater, N. Y. Second affair at Bemis Heights, near Saratoga. The British, defeated, fell back to Saratoga.

1871—Beginning of the \$165,000,000 fire which almost destroyed Chicago.

1894—Dr. Oliver Wendell Holmes died; born 1809. Andrew G. Curtin, "war governor" of Pennsylvania, died; born 1817.

1895—William Wetmore Story, distinguished sculptor and poet, died; born 1819.

1912—Ex United States Senator W. A. Fetter, once noted Populist leader, died; born 1831.

Jas. J. Hill For Representative

James J. Hill of Johnstown, is the Democratic candidate for member of the Legislature from Lackington county. Mr. Hill was born and brought up in Lackington county.

JAMES J. HILL.

in Monroe township, attending the public schools until he grew to young manhood, afterwards spending several years in assisting in farm work. He next accepted a position on the road as a traveling collector for the McCormick and the International Har-

vesting companies and so well did he fill that position that the company was loath to part with his services and retained him in its employ for twelve years. Mr. Hill went back to farm life and was honored by his neighbors in being elected Justice of the Peace of Monroe township, which position he still holds, having served in that capacity for a period of thirty years. During his incumbency of office he has decided hundreds of cases and has a record for peace and the compromising of cases. He has married scores of couples and never charged a penny for performing the marriage ceremony.

Mr. Hill has been president of the Lackington County Agricultural Society for the past six years, his administrative ability being recognized in three successive elections to that important position. With the other officers of the society he has assisted in placing it in the foremost rank of the fairs of Ohio.

Mr. Hill has also served the city of Johnstown as a councilman for four years and has practiced before Mayors and Justices' courts. He has never asked for an office before in Lackington county and has a record of which he can well be proud. He solicits the support of the people of the county and assures them that if elected he will guard their interests in all legislation.

Our President.

President Wilson is today the only man on earth exercising powers outside of his own country. Hope of restoring peace in Europe rests with Woodrow Wilson.

American neutrality must be maintained and the hands of the President must be upheld by the people of this country in this great world crisis. The people of Ohio will have an opportunity to endorse President Wilson on November 3. The election of the Democratic state and congressional ticket means endorsement of Woodrow Wilson and his policies. The defeat of James V. Cox and the Democratic ticket is a slap at Wilson.

Spirit of the Press

Sure Fire.

English agents are buying up Missouri mules, presumably for war purposes. The recent exploit of a French bull in charging on the enemy was thrilling as a spectacle, but bulls lack initiative and discretion. A battery of one Missouri mule, properly masked, can do more execution than 100 bulls.—Omaha Bee.

Swift Revival.

One of the most amazing of war items is the fact that exports from the port of New York in the third and fourth weeks of September ran almost \$8,000,000 more than last year, in spite of nearly total loss of our exports to Germany, Austria-Hungary, Russia and Belgium. Four weeks ending Sept. 25 Great

Britain and the British possessions took \$11,000,000 more in New York exports than last year, and Denmark, Norway, Greece, Spain, Cuba and other countries a substantial increase. August exports showed a decided slump in totals, as was natural and fear of capture has checked Pacific port trade, but with the approach of foreign exchange to normal figures the trade of New York shows a wonderful capacity for swift revival.—New York World

Eight Hour Day.

The state of Washington is worked up over an eight-hour law which is so sweeping in its provisions that the only exceptions to a 48-hour week is an additional two hours per day in agricultural labor for work which is "unavoidably and necessarily incidental to farm management." Otherwise the only exceptions are in case of "extraordinary emergency." The measure is campaigned against with regard to the referendum which comes next month, because it will interfere with domestic labor. But if labor is to have eight hours rest every day why should not the domestic workers share it.—Pittsburgh Dispatch.

Makes a Difference.

A few weeks ago a ship, chartered by Hindoos, arrived on the west coast of Canada, and the Hindoos on board demanded entrance into the country. Finally a little Canadian warship was used to drive the Hindoos and their ship away. Now it is announced by the Canadian minister of labor that 32,000 volunteers have just left Canada to fight as part of the British force which is about to be strengthened by 75,000 Hindoos from India. The "teeming millions of Hindustan," to use Lord Curzon's phrase or good enough to be accepted as neighbors.—Hartford Courant.

A Month's Record.

Of the seventy-two persons killed by vehicles in Greater New York in September, forty-five were children, or whom thirty-five were killed by automobiles, eight by wagons and two by trolley cars. The figures exonerate trolley cars and horse-drawn trucks of an old and evil accusation in the matter of child-slaughter; but what an indictment of criminal recklessness they bring against the drivers of motor vehicles!—New York World.

Pointed Observations

Porto Rico coffee now asks a government loan. On coffee grounds, of course.—New York World.

We may be duly thankful that the buckwheat cake and maple syrup districts are not in the war zone.—Pittsburgh Dispatch.

Common pleas court has 412 divorce cases before it. The go papers please don't copy.—Pittsburgh Gazette Times.

Children's Sayings

TO YOU, READER.

Owing to the number of humorous, quaint or original sayings of children sent to this office by readers of the Advocate, publication of contributions may not be published for several days. The Advocate will be glad to have its readers send to the Children's Sayings Editor an outline of the amusing or interesting things that their children or their friends' children say. All communications must be signed by the writer, though signatures will not be printed if such a request is made. If the reader prefers, either Bell or Automatic phone may be used.

Uncle Walt

DISCOURAGEMENT.

No matter what our task, some days will find us sighing, and wearily we ask, "What is the use of trying?" The heart is often sore, from struggle and endeavor, from doing one thing over, forever and forever. We feel that what we do is really not worth doing, and that the goal in view is not worth pursuing. We feel there is no chance to better our condition, as sadly we advance to old age and demerol. We dwell with Fear and Doubt, and all ambitions perish, the bottom's fallen out of everything we cherish. Upon such painful days, which come to clerk or writer, how quickly words of praise will make the whole world brighter! There ambles to my side a pilgrim bent and hoary, who murmurs, "My St. Bride! I like your latest story!" This little cheerful word, though it may be denoting, makes worry seem absurd, and ends my grief and brooding. And I, refreshed and strong, go forth, no longer fearful, to pass that world along, and make some toiler cheerful.

CHOLERA MAKES APPEARANCE IN A VIOLENT FORM

(Associated Press Telegram)
London, Oct. 7.—A dispatch from Rome to the Exchange Telegraph company says:
"A message from Vienna announces the sudden outbreak of Asiatic cholera in a most violent form, at Tarnow in Galicia. Forty cases, the message says, were reported on Tuesday."

Tarnow, on the Duna river, is a town of about 35,000 inhabitants. It is 135 miles west of Lemberg, and on the line which the Austrians and Russians are taking on their way to Cracow. Fighting between the Austrians and the Russians near Tarnow has been reported several times recently.

JENKINS MUST DIE IN ELECTRIC CHAIR UNLESS PARDONED

(Associated Press Telegram)
Columbus, Oct. 7.—Wesley Jenkins, colored, of Dayton, convicted of murder, will have to die in the electric chair at the penitentiary here December 4, unless his attorneys take some further action. As the supreme court today refused to allow a motion asking the high court to review the case, Governor Cox recently granted Jenkins a reprieve in order to permit the supreme court to review the case. Jenkins' attorneys in their appeal to the supreme court alleged that the condemned man's rights under the federal constitution had been violated, in that negroes were excluded from jury service in Montgomery county.

ORDINANCE NO. 2414

Determining to proceed with the improvement of North Buena Vista street from Indiana street to the north line of Daugherty avenue by paving and curbing the roadway thereof with a thirty foot roadway.

Be it ordained by the Council of the City of Newark, State of Ohio, three-fourths of all the members elected thereto concurring:

Section 1. That it is hereby determined to proceed with the improvement of North Buena Vista street from Indiana street to the north line of Daugherty avenue by paving and curbing the roadway thereof with a thirty foot roadway in accordance with resolution passed on the 17th day of August, 1914, in accordance with the plans and specifications, estimates and profiles hereto approved and now on file in the office of the Director of Public Service.

Section 2. That all claims for damages resulting therefrom shall be judicially inquired into after the conclusion of the improvement.

Section 3. That the whole cost of said improvement, less one-fiftieth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the following described lots and lands, to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required, and the serving of said notices, the costs of construction, together with the interest on bonds issued in anticipation of the collection of deferred payments, and all other necessary expenses, and that the assessment so to be levied shall be paid in ten annual installments, with interest on the deferred payments at 5 per cent per annum, provided that the owner of any property assessed may, at his option, pay such assessment in cash within thirty days from and after the passage of the assessing ordinance, to the City Treasurer, in which case the said cash assessment shall not include any item of interest upon bonds to be issued in anticipation of deferred installments of such assessments, and that the bonds of the City of Newark, Ohio, shall be issued in anticipation of the collection of the assessment by installments and in an amount equal thereto, and that the remainder of the entire cost of said improvement not specially assessed, including the cost of intersections and the damage awarded to any owner of adjoining property and interest therein, and the cost and expense of such award, shall be paid by the issuance of bonds in the manner provided by law.

Section 4. That the following lots and lands shall be assessed for said improvement as above determined: All lots and lands bounding and abutting upon the proposed improvement on North Buena Vista street between Indiana street and the north line of Daugherty avenue.

Section 5. That the Director of Public Service be and is hereby authorized and directed to make and execute a contract for said improvement with the lowest and best bidder after advertisement according to law.

Section 6. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed October 5th, 1914.
C. R. KELLER, President of Council

Attest:
J. S. WOODWARD, Clerk of Council
Approved by the Mayor this 6th day of October, 1914.
R. C. BIGBEE, Mayor.

ORDINANCE NO. 2423

BY RESOLUTION—
Amending Ordinance No. 2418 and fixing salaries of Janitor of the City Building and sergeant at arms of the City Council.

Be it ordained by the Council of the City of Newark, State of Ohio:

Section 1. That ordinance No. 2418 be and the same is hereby amended as follows:

A. That the Janitor of the City Building of the City of Newark, Ohio, shall receive as his entire compensation the sum of \$300.00 (three hundred dollars) per year, payable monthly.

B. That the Sergeant at Arms of the City Council of the City of Newark, Ohio, shall receive as his entire compensation the sum of \$100.00 (one hundred dollars) per year, payable monthly.

Section 2. That those parts of Sections 2 and 3 of Ordinance No. 2418 fixing the compensation of the Janitor of the City Building and the Sergeant at Arms of the City Council are hereby repealed.

Section 3. This ordinance is hereby declared to be an emergency ordinance for the reason that the office of Sergeant at Arms is now vacant.

Section 4. This ordinance shall take effect and be in force from and after its passage.

Passed October 5th, 1914.
C. R. KELLER, President of Council

Attest:
J. S. WOODWARD, Clerk of Council
Approved by the Mayor this 6th day of October, 1914.
R. C. BIGBEE, Mayor.

No Kick Coming.
"Was the car crowded you came in on?" "Not very. I had a strap all to myself."—Boston Transcript.

Appetite Follows Good Digestion

Nearly everyone indulges their appetite and the digestive organs are abused, resulting in a congestion of poisonous waste that clogs the bowels and causes much misery and distress.

The most effective remedy to correct this condition is the combination of simple laxative herbs with pepsin known as Dr. Caldwell's Syrup Pepsin. This is a natural, pleasant-tasting remedy, gentle yet positive in action, and quickly relieves indigestion, constipation, sick headache, belching, etc. Drug stores sell Dr. Caldwell's Syrup Pepsin at fifty cents and one dollar a bottle, and in thousands of homes it is the indispensable family remedy. For a free trial bottle write Dr. W. B. Caldwell, 461 Washington St., Monticello, Ill.

AUSTRIA REPORTS GREAT SURPRISES ON THE RUSSIANS

(Associated Press Telegram)
Vienna, Oct. 7.—Via Amsterdam and London, Oct. 7.—The following official statement signed by General von Hoefre, deputy chief of the general staff was given out in this city today:

"October 6.—The sudden advance of the German and Austrian forces in Russia Poland seems to have completely surprised the Russians. Although they moved strong forces from Galicia to the north they were repulsed and driven back across the Vistula by the allies while making an effort to cross the river in the direction of Opatow.

"Our troops captured a bridge held by the Russians near Sandomir.

"In Galicia we are advancing in accordance with our plans.

"In the vicinity of Tarnovez we routed a division of Russian infantry."

25 Years Ago

(From Advocate, Oct. 7, 1889.)
A change of teachers took place at the High school this morning. Miss Maggie Evans took the place of Miss Hattie Jones, resigned, and Miss Tillie Wallace took Miss Evans' place.

Fifty Years Ago Today, Oct. 7.

General N. B. Forrest's cavalry had crossed Tennessee river to the north on a raid against Sherman's railway communications in Tennessee.

H. H. Dodd, grand commander "Sons of Liberty," charged with treason and conspiracy against the United States, escaped from jail at Indianapolis.

Twenty-five Years Ago Today.

Annexation to the United States was strongly advocated by citizens of Hawaii.

Simple Way to End Dandruff

Stop Falling Hair and Itching Scalp.

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arsenic from any drug store (this is all you will need), apply it at night when retiring, use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve, and entirely destroy, every single grain and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

If you value your hair, you should get rid of dandruff at once, for nothing destroys the hair so quickly. It not only starves the hair and makes it fall out, but it makes it stringy, straggly, dull, dry brittle and lifeless, and everybody notices it.

NEWARK GROCERS HEAR TALK GIVEN BY A TOLEDO MAN

Newark grocers, members or non-members of the Retail Grocers' and Meat Dealers' Association, who did not attend the meeting held Tuesday night in Woodmen hall, missed a treat in the address of E. G. Ashley of Toledo, secretary of the Ohio Retail Grocers' and Meat Dealers' Association. Mr. Ashley opened a jar of ginger and injected quantities of it in the already "gingery" makeup of the local organization. It would have been well if some of the lagging members and those who are non-members could have been present and profited by the talk.

It was the regular meeting night of the association but a special occasion was made of the event, the wives and lady friends of the members being invited to attend. A program of addresses, featured by Mr. Ashley's strong talk on the benefits of such an association, occupied an hour and then the guests retired to the banquet room where a sumptuous lunch was served.

A number of demonstration exhibits by well known manufacturers and jobbers, were arranged in the banquet room and generous samples were given to those who attended.

M. L. Carr, the genial representative of the Franklin Coffee company, distributors of Okay coffee, served this delicious beverage in connection with the lunch. Nelson Pierson of this city, representing in this territory Lutz & Schramm of Pittsburgh, provided hot baked beans with the lunch and had samples handy of the other palatable products of this company.

H. L. Eader was in charge of the exhibit of the Felber Biscuit company, a Columbus firm, and there was a generous distribution of the delicate confections from this well known bakery. A feature of this display was a miniature facsimile of the company's factory, a well lighted and sanitary building.

The grocers were indebted to the Licking County Creamery and C. W. Miller & Co., for dairy products and the meats served at lunch.

It was a little after 8 o'clock when the program was started. Misses Rutherford and Marple furnished several musical selections.

Mr. Ashley confined his remarks to the benefits and necessity of organization among the retail grocers. He told the local members that association work had been his hobby for years and that he had seen the benefits accruing from such organizations and for that reason he accepted the position of state secretary.

He told of the great need of organization in these days and explained how such associations abolished the jealousies which had existed among dealers in the past.

He pointed out the fact that credit was too cheap and that co-operation in such an organization would lift the grocery business above that evil and establish it on a firm foundation. He urged the members to attend the meetings regularly, to pull together, give the association officers their staunchest support and force the organization to a successful issue.

He related in detail the many advantages to be gained by such an organization and said that when the real benefits were understood that the members would grow without effort on the part of the organizers.

His address was followed by short talks by George B. Sprague of the Sprague Grocery company, W. W. Neal of Fleek & Neal, M. L. Carr of the Franklin Coffee company, Mr. Sage of Bour & Co., and Mr. Stevens, former president of the association.

He told of the great need of organization in these days and explained how such associations abolished the jealousies which had existed among dealers in the past.

ORDINANCE NO. 2410

To name an alley Wayland Court.

Be it ordained by the Council of the City of Newark, State of Ohio:

Section 1. That an alley heretofore unnamed, extending south from Church street to West Main street east of Sixth street shall hereafter be known as Wayland Court.

Section 2. This ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed October 5th, 1914.
C. R. KELLER, President of Council

Attest:
J. S. WOODWARD, Clerk of Council
Approved by the Mayor this 6th day of October, 1914.
R. C. BIGBEE, Mayor.

State News

The miners supply store at St. Clairsville was destroyed by fire with a loss of \$9,000.

Albert Ruben, 19, Cleveland motorcyclist, collided with a horse and was trampled to death.

Judge H. D. Peck, noted Cincinnati lawyer, died last night of paralysis.

The three-year-old daughter of Oliver Perry of Palestine, near Greenville, was killed when she fell under her father's wagon.

Burglars who entered the store of Peter Zenz at Defiance left a Bible as a memento of their visit.

Emanuel Matensak, said to be an Austrian secret agent, recently founded Mrs. Charles Preskowitz and killed himself in a Steubenville hotel.

Kenneth Palm, 8 years old, was fatally injured by an automobile at Lancaster.

Clarence Breiel, Chillicothe student at Ohio Wesleyan, died at Delaware of typhoid fever.

Two New Philadelphia drunks, put to work on the streets, spent more time in saloons than they did on the work and were re-arrested for intoxication.

Mr. Vernon's G. A. R. post has launched a movement to secure quarters on the ground floor so the aged veterans will not be compelled to climb two flights of steps.

Real tobacco that works both ways!

YOU just can't get in wrong with Prince Albert, no matter how you hook it up. Because it's as bang-up in a makin's cigarette as packed into a jimmy pipe! For yours, it's the fragrance and flavor that tickles your smokappetite so!

Go to P. A. morning, noon and night! It won't bite your tongue or any other man's, because the bite's cut out by a patented process! All you do is fire up! And you get yours, cheer-up like, because P. A. won't even make your tongue tingle! And that's a fact.

PRINCE ALBERT
the national joy smoke

flavor and fragrance gets going right into your system—and you just want new supplies right along. Stop kidding yourself on the tobacco question. And take it straight, you'll never get next to how delightful tobacco really can be till you fire up some P. A. via a jimmy pipe or a makin's cigarette. Why, can't you realize there never was a smoke in the same class with P. A.?

Right now's the time and the place to try Prince Albert while the trying is good!

R. J. REYNOLDS TOBACCO COMPANY
Winston-Salem, N. C.

Buy P. A. in any nick of the woods. In tippy red bags, 5c (handy for cigarette smokers); tippy red tins, 10c; also handsome pound and half-pound tins.

RESOLUTION

Declaring it necessary to improve Clarendon street from Cedar street to Buena Vista street by constructing a sanitary and drainage sewer therein.

Be it resolved by the Council of the City of Newark, State of Ohio, three-fourths of all the members elected thereto concurring:

Section 1. That it is necessary to improve Clarendon street from Cedar street to Buena Vista street by constructing a sanitary and drainage sewer therein, according to the plans, specifications, estimates and profiles of the proposed improvement prepared by the Civil Engineer now on file in the office of the Director of Public Service, which are hereby approved and which shall be open to the inspection of all persons interested therein.

Section 2. The materials to be used in the construction of said sewer shall be vitrified clay or shale sewer pipe, and brick catch-basins and manholes with cast iron covers.

Section 3. The grade of said sewer shall be as shown on the plans and profiles now on file in the office of the Director of Public Service.

Section 4. That the whole cost of said improvement, less one-fiftieth thereof and the cost of intersections, shall be assessed by the foot frontage upon the following described lots and lands, to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by said improvement, and the cost of said improvement shall include the expense of printing and publishing notices, resolutions and ordinances required, and the serving of said notices, the cost of construction, together with the interest on bonds issued in anticipation of the collection of deferred assessments and all other necessary expenses.

Section 5. That the assessments so to be levied shall be paid in ten annual installments with the interest on the deferred payments at 5 per cent per annum, provided that the owner of any property assessed may, at his option, pay such assessments in cash within thirty days from and after the passage of the assessing ordinance, to the City Treasurer, in which case said cash assessments shall not include any item of interest upon bonds to be issued in anticipation of the deferred assessments and all other necessary expenses.

Section 6. That the bonds of the City of Newark, Ohio, shall be issued in anticipation of the collection of assessments by installments and in an amount equal thereto.

Section 7. That the remainder of the entire cost of said improvement not specially assessed, including the cost of intersections, the damages awarded any owner of adjoining lands and interest thereon, and the expense of any award shall be paid by the issuance of bonds in the manner provided by law.

Section 8. This ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed October 6th, 1914.
C. R. KELLER, President of Council

Attest:
J. S. WOODWARD, Clerk of Council
Approved by the Mayor this 6th day of October, 1914.
R. C. BIGBEE, Mayor.

It Will Pay You As It Has Others Who Have

taken advantage of our partial payment plan to wire their homes this fall for Electric Lights.

House Cleaning time is again at hand, to be followed closely by Old, Dark Winter. Last year you considered putting electric lights in your home, but you shrugged your shoulders and put it off.

Are you going to put in another winter without them?

For cleanliness, safety and convenience there is no illuminant comparable to electricity. You plan, as does every other home-loving resident in Newark, on having electric lights some time.

Why put in another winter like the past, when you can take advantage of our partial payment plan and wire your home complete for electric lights. Let our representative call and explain the merits of our house wiring plan. It will cost you nothing to phone.

School Board Will Buy Coal; May Operate a Night School; Superintendent Makes Report

The school board met in regular session Tuesday evening, W. E. Miller presiding in the absence of President W. C. Christian. Messrs. Haight, Rank and Dewey were also present. After the reading of the minutes of the last meeting the following bills were allowed and warrants will be drawn for them:

The Sperry-Harris Co., stools, \$3; The Marietta Paint and Color Co., \$1.60; Ohio Light and Power Co., 18c; American Tribune, reading cards, \$1; Charles Baker, plastering, \$10.40; J. D. Keeley, labor and supplies, \$28.78; E. W. A. House, supplies, \$38; Tucker Boiler Works, labor, \$15.70; Frank Mylius, cleaning carpets, \$10.20; Milton Bradley Paper Co., \$5.80; American Tribune, calendars, \$6; City Drug Store, sperm oil, \$1; Reinhold Plumbing and Heating Co., \$13.97; Adams Express Co., \$1.73; Newark Electrical Co., \$34.11; Newark Natural Gas and Fuel Co., \$475.74; Standard Oil Co., supplies, \$27.62; Ohio Electric Railway Co., 50c; Licking Lumber Co., \$1.89; Crane-Bliss Hardware Co., \$6.68; Advocate Printing Co., \$20.49; P. H. Le Broco, supplies, \$11.32; Evans Supply Co., \$20.70; T. M. Edmiston, 11c; Leist & Kingery, \$16.58; American Tribune, \$14.50; Chas. W. Baker, plastering, \$5.50; Ohio Light & Power Co., lamps, \$5.60; Phil Vogelmeier, freight and drage, \$6.55; R. W. Patterson & Co., \$18; Coulter & McKay, \$5.88; Oliver Typewriter Co., \$59; Gregg Publishing Co., \$1.41; A. L. Norton Co., \$124.75; Underwood Typewriter Co., \$100; Smith Typewriter Co., \$100; Remington Typewriter Co., \$100; Long's Transfer Co., moving piano, \$2.50; H. D. Murphy, fire insurance, \$21.

The resignation of Mrs. Annie Lawhead Mitchell as a teacher in the grade schools was received and accepted. Mrs. Mitchell with her resignation had a letter of appreciation which will be spread upon the board's records.

A communication was next read from Architect Vernon Redding regarding the plumbing and the Palm vacuum cleaners in the new buildings and several recommendations were made which will be acted upon by the board. The final estimate on the Conrad building was also allowed Mr. Redding.

The Juvenile Aid society was granted the privilege of using the High school auditorium on the nights of December 11 and 12, for the purpose of giving two concerts. As the receipts will be used to aid the poor children of the city no rental will be charged.

Bids were received from the Dixie Coal Co., C. Stephenson, Guttridge & Son and The Newark Crystal Ice & Coal Co. for 100 tons of coal. C. Stephenson was awarded the contract on his bid of \$2.10 delivered in the building. The board will also contract for an additional 100 tons.

The following report was then read by Superintendent Hawkins: To Members of Board of Education, Gentlemen:

I desire to report to you this evening upon the following items of interest:

Statistics.
Our first month closed on October 2, with an enrollment of 4156 pupils. The statistical record for the first month is remarkable in many respects. For three years teacher and superintendent have emphasized the importance of punctuality and regularity in attendance. We feel that our efforts are bearing fruit, for 2917 pupils were perfect in attendance, or about 400 more than any previous month. That punctu-

ality is almost perfect is indicated by the fact that there were only 59 cases of tardiness made by over 4,000 children although it is possible for each child to be tardy twice daily. We had 75 school rooms in which not a case of tardiness was recorded for the month, and 1 building in which there was no tardiness. The average number of pupils to the teacher in the elementary grades is 37.

Night School.
The members of the Board will recall that last year a night school was conducted in connection with the public schools. This school was in session on nights with an average attendance of 60 pupils. The net cost to the Board of Education exclusive of light and fuel was about \$25,000. I recommend that the Board decide at this meeting whether you wish to continue the night school this year, in order that it may be organized and started not later than Nov. 2.

Normal Class.
We have enrolled in our teachers' training class 13 girls. It may be of interest to the Board to know that Ohio State University allows three fourths of a year's credit toward completion of a normal course to the girls who complete our course. This year we have three students in the training class who live outside the city district. I recommend that a tuition be charged these students and that this tuition be used in building up the teachers' library which is of much use in carrying on the course.

Teachers' Meetings.
Since the regular sessions of the city institute have been discontinued I have arranged to hold teachers' meetings after a systematic plan. I have already held a general meeting and one grade meeting and have set the date for meetings for every grade. In addition to the meetings that I shall hold, principals have arranged with the teachers of their buildings to meet and discuss the book for teachers in this year's Ohio Teachers' Reading circle. I further recommend that I be permitted to grant the teachers of each building one day to be used in visiting schools and observing the work of other teachers, the same to be done upon such days as I may direct.

A Petition.
I have received a petition with 21 signatures, requesting that I transfer the fifth grade from the Riverside school to the room made vacant in the Hudson avenue school. This represents all families having children in this grade except seven. I could not make this transfer without action by the board for the reason that considerable expense will be incurred in doing so, owing to the re-seating of the rooms. It is barely possible that the room at Hudson may have to be used before the year is over and quite certain that it will be used again next year for a primary grade. I submit the petition to the board, and shall be governed by your action.

Superintendent Hawkins was authorized to investigate and find if conditions will warrant the operation of a night school and if so, it will probably be established. A night school was held last year and it proved quite successful.

It was decided to charge all normal class students living out of the city a tuition fee of \$10.

A petition containing 21 signatures was presented the board asking for the transfer of the fifth grade of the Riverside school to the Hudson avenue building. It was found impos-

sible at the present time to grant the request but some needed improvements will be made at the building including the erection of a high board fence around the grounds and the installation of a larger water pipe which will insure plenty of water for the school.

Mr. Haight was appointed to investigate the securing of a hall for this year's basketball team. He has been in view and will arrange for the rental of one for the basketball season.

Superintendent of Supplies Frank Handel next read his report which included the transient officers' report for the past month after which the board adjourned.

HOW TO GET RID OF DYSPEPSIA

Don't Rely on Medicine! Don't Go On Frank Diet Common Sense and An Antacid Usually All That Are Needed.

If you have dyspepsia, indigestion, sour stomach, belching, distress after eating, heartburn or any other stomach trouble due to hyperacidity, you should take no medicine to act upon the stomach itself. That is positively not the way to cure the trouble. Again, you should not eat yourself by going without the nutritious food that you need to rebuild waste tissues. Some foods are not good for people when eaten in perfect health. Very rich, sweet, highly seasoned dishes. Avoid these, but eat fairly substantial meals of plain foods. Eat slowly. Even if you drink nothing but water, you should not drink with meals. Eat before and after eating. Do not take poison or other artificial stimulants. If you follow the foregoing simple instructions it is probable that you will not need any medicine at all except, if you want to, a little antacid. A little antacid after meals. The best antacid is ordinary bisphosphated soda, which can be purchased at any drug store. This is not to act upon the stomach but on the contents of the stomach. The antacid, as you can learn by consulting your dictionary or encyclopedia, is merely to neutralize or counteract the excess acid so the stomach can function normally. Take a teaspoonful of bisphosphated soda in a little cold or hot water after each meal. You should get immediate relief, even if your case is severe. Careful, moderate eating and the use of bisphosphated soda should put your stomach in normal condition in a short time; if you have not allowed dyspepsia to advance to the extreme stage of developing stomach ulcers.

HAVE DARK HAIR AND LOOK YOUNG

Don't stay gray! Nobody can tell when you darken gray, faded hair with Sage Tea and Sulphur.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a sponge or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant. Agents Hall's Drug Store.

STAFFS WORKING DAY AND NIGHT ON ZEPPELINS

(ASSOCIATED PRESS TELEGRAM)
London, Oct. 7.—In a dispatch from The Hague, the correspondent of the Daily Express says that German newspapers reaching there indicate that Count Zeppelin is now at Wilhelmshaven, on the north sea, with his staff. Wilhelmshaven is the point from which the great air raid on the British Isles is expected to start.

One of these newspapers publishes an interview with the count, in which he is quoted as saying that he had not forgotten England and would prove it very soon.

It is also reported, the correspondent of the Express continues, that Count Zeppelin was summoned recently by Emperor William to Mainz. His Majesty said to the count that he relied on him for a great work, and offered to make him commander in chief of the German air fleet. The count smilingly refused, but said he would accept the title when he returned from England.

The Zeppelin staffs are working day and night at Wilhelmshaven and another station is being established at Emden for other types of airships.

MAIDENS TAKE NOTICE

(ASSOCIATED PRESS TELEGRAM)
Washington, Oct. 7.—The navy department is looking for a descendant, preferably an unmarried woman of David Bushnell, a graduate of Yale in 1775, who invented and built a submarine boat during the revolutionary war, to act as sponsor for one of the new submarine tenders now under construction for the navy which has been given the name "Bushnell."

WHITLACK'S MOTHER RETURNS

(ASSOCIATED PRESS TELEGRAM)
London, Oct. 7.—Mrs. Mallie Whitlock and Mrs. E. Brainerd, mother and mother-in-law of Brand Whitlock, the American minister to Belgium, are passengers on the steamer Baltic which left Liverpool for New York today.

Both Good Speakers

"Now, Tommy, this little story says, 'The rich man has a spanking team.' Now what's a spanking team?" "I know, my pa and ma's one." —Baltimore American.

RYAN

MINUTES SPEECHES, LEAVES WASHINGTON TONIGHT ON STUMPING TOUR

Itinerary includes Ohio as First Stop—President will Formally Launch Campaign.

(ASSOCIATED PRESS TELEGRAM)
Washington, Oct. 7.—Secretary Bryan who leaves Washington tonight on a stumping tour, today was putting the finishing touches to his speeches. He will first make addresses in Ohio, and on Friday and Saturday will speak in Indiana. Beginning Monday, October 19, Mr. Bryan will start a speaking tour of western Missouri, Kansas, Colorado, Wyoming, and South Dakota, Minnesota, Wisconsin, Iowa and Nebraska.

Following the adjournment of congress, which President Wilson looks for next week, the campaign will become active. It will be formally launched with a letter from the president to Representative Underwood of Alabama, the majority leader in which Wilson will express pleasure at what has been accomplished during the session and endorse Democratic members seeking re-election to the house.

Theatres

Last Night's Play.
A fair but not an attentive audience witnessed the Henry W. Savage production of "Sari" at the Auditorium last evening. It is an operetta in two acts by Julius Wilhelm and Fritz Graubauer. The English books and lyrics are by C. C. S. Cusaling and E. P. Heath and the music by Emmerich Kalman.

The staging of the play was under the direction of George Marion and he has assembled a company of artists, all of rare merit. The soloists all showed exceptional vocal talent and splendid ability, among the best ever heard in a Newark theatre. The costumes of the play was pleasing, the Hungarian colored dresses being imported direct from Budapest. The costumes of the second act, the Paris home of Count Irini, were novel and beautiful.

A special orchestra of twelve pieces composed of all foreign musicians, the instrumentation including harp and kettle drum, played the scores and their intelligent interpretation of the different numbers was greatly enjoyed by the audience.

"Sari" was sung by Eliza Gersely, and it surely was in capable hands. She was truly a delightful little "Sari" and her quaint witticisms, songs and dances kept the audience in a pleasant humor throughout the evening. "Laczi" as interpreted by Howard Marsh, showed the finished artist. His rich tenor voice carried to the furthest parts of the house and his duets with "Juliska," Mary Lane Murray, a high mezzo-soprano, will long be remembered by those fortunate in being present. The songs "Love Has Wings," and "Softly Through the Summer Night," by "Laczi" and "Juliska" were indeed truly delightful.

Mr. Marsh attended Denison University at Granville some years ago, was a member of the chapter of Phi Gamma Delta fraternity there. He is well remembered by several Newark and Granville people who attended and enjoyed his singing last night. The baritone solo by "Pali Racz," "My Faithful Stradivari," was one of the pleasing numbers of the operetta. The same can be said of all the song numbers.

CHURCHILL IS A PROUD FATHER

(ASSOCIATED PRESS TELEGRAM)
London, Oct. 7.—Mrs. Winston Spencer Churchill, wife of the first lord of admiralty, gave birth to a daughter today.

Mrs. Churchill formerly was Miss Clementine Hozier, daughter of the late Sir Henry M. Hozier. She and Mr. Churchill were married in 1908. They have three children, two daughters and one son.

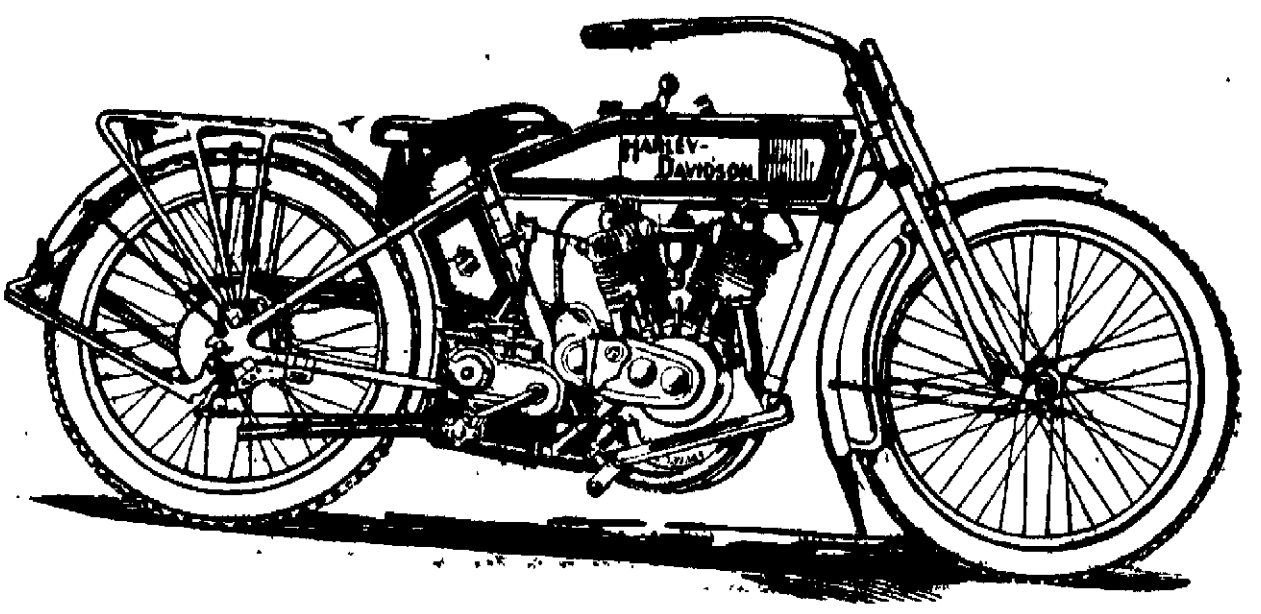

It sometimes happens that even the people who complain that they have nothing to do refuse to do it.

THE NERVES AND THEIR NEEDS

We do not give much thought to our nervous system when it is working all right but when it goes wrong, nature has a way of calling it to our attention by something that we cannot overlook—pain.

Try to reach a painful nerve with medicine of any sort and you are controlled with a fact that every doctor knows, that the only way to reach the nerves is through the blood.

Let us see how Dr. Williams' Pink Pills, the great tonic for the blood, are also a great nerve builder. When a nerve becomes lame and painful it is unless caused by an accident, because the blood was not giving it the elements of nourishment needed. Dr. Williams' Pink Pills build up the blood, the nerves are strengthened, the inflammation subsides and the pain vanishes. By keeping the blood rich and pure by the use of Dr. Williams' Pink Pills the danger of nervous breakdown, insomnia, nervous indigestion and other disorders caused by impoverished blood is greatly lessened. In children the fear of Dr. Williams' Pink Pills is the fear of St. Vitus' dance. The Dr. Williams' Medicine Co., Schenectady, N. Y. will send free a special little book of Nervous Breakdown. Write for it today. Your own druggist calls Dr. Williams' Pink Pills.

Prosecuting Attorney J. Howard Jones

SOLICITS YOUR VOTE ON THE FOLLOWING RECORD FOR THE PAST TWO YEARS:

1. Three criminal cases lost out of 100.
 2. Thousands of dollars saved Licking County.
 3. Short, effective grand jury sessions.
 4. Hundreds of written opinions given to Township and Board of Education officials.
- When the docket is filled with cases of great importance to Licking County, why experience it? Vote for a man who has proved that he can handle important litigation.

Make this Simple Test

Then decide, once for all, which match to use hereafter.

Take five—or ten—Safe Home matches, and an equal number of matches of any other brand.

Compare them as to length and strength

of stick, appearance, workmanship, anything you please.

Light one of the Safe Home matches. See how evenly it burns. See?

Shake it! It still burns. "Flick" it with your finger. It does not sputter. The head does not fly off. Let it burn awhile until the stick catches. Blow it out! See? It is OUT and it stays out. There is no dangerous charcoal after-glow. The stick is impregnated.

Now light one of the other matches. Shake it! "Flick" it with your finger. Blow it out! Well—?

All grocers. Five cents a box.

CHILD'S TONGUE
BECOMES COATED
IF CONSTIPATED

Children love this "fruit laxative,"
and nothing else cleanses the tender
stomach, liver and bowels so nicely.
A child simply will not stop playing
to empty the bowels, and the result is
they become tightly clogged with
waste, liver gets sluggish, stomach
sour, then your little one becomes
cross, half-sick feverish, don't eat,
sleep or act naturally. Breath is bad,
system full of cold, has sore throat,
stomach-ache or diarrhoea. Listen.
Mother! See if tongue is coated, then
give a teaspoonful of "California
Syrup of Figs," and in a few hours
all the constipated waste, sour bile
and undigested food passes out of
the system, and you have a well, playful
child again.

Millions of mothers give "California
Syrup of Figs" because it is perfectly
harmless; children love it, and it never
fails to act on the stomach, liver
and bowels.

Ask your druggist for a 5-cent bottle
of "California Syrup of Figs," which
has full directions for babies, children
of all ages and for grown-ups plainly
printed on the bottle. Beware of coun-
terfeits sold here. Get the genuine,
made by "California Fig Syrup Com-
pany." Refuse any other kind with
contempt.

No vermin can get into the
KITCHENETTE. 7-4t

PUBLIC NIGHT SCHOOL

The Board of Education will con-
duct a public night school again this
year if there is sufficient demand.
The school shall be open to any per-
son over sixteen years of age who is
not a member of the day school. All
persons desiring to attend night
school must register at the office of
the Superintendent of Schools in the
High School building between the
hours of 8 a. m. and 8 p. m. on FRIDAY,
OCTOBER 10th, when infor-
mation may be had regarding tuition,
branches of study, date of open-
ing, etc.

WILSON HAWKINS,
Supt. of Schools.
512-7-9-12-14-16

Birth Announcement.
Born to Mr. and Mrs. G. A. Hager-
strand, October 6, a son.

Women's Guild.
The Women's Guild of the First
M. E. church will meet in the church
parlors Thursday afternoon at 2:30
o'clock.

Christian Endeavor.

The business meeting of the Christian
Endeavor Society of the First
Presbyterian church will be held
Thursday evening at the home of Dr.
Ferry 445 West Main street at 7:30
o'clock. All members urged to be
present.

Missionary Society.
Missionary Society of the Ply-
mouth Congregational church will
hold its regular meeting on Thurs-
day evening at 7:30 o'clock in the
church. The impersonations of the
different nations will be given. Every
body invited.

Missionary Society.
The regular monthly meeting of
the Woman's Missionary Society of
the Fifth Street Baptist church will
be held on Thursday afternoon at
two o'clock at the home of Mrs. Geo.
Vanatta, 264 North Cedar street. A
large attendance is desired.

Big Class Initiated.
George H. Hamilton, supreme na-
tional lecturer of L. O. O. F. and E.
O. Grand of this city, attended the
initiation of class of 111 candidates
at Portsmouth Sunday. Mr. Hamil-
ton addressed the members of the
order which was a big event in the
history of the Portsmouth lodge.

Award to Harry C. Hull.
The State Industrial Commission
has granted an award to Harry C.
Hull, of 83 James street, of \$97.71
for an injury recently sustained by
him while in the employ of the
Wehrle company. The award of the
commission was granted under the
provisions of the Ohio workmen's
compensation law.

Demonstrating Foot Comforts.
McDonnell & Son Shoe Store is a
busy place with the many weary
people with tired, aching feet, seek-
ing relief from their foot troubles.
The famous Chicago foot specialist,
A. A. Pons, will be there today and
tomorrow, demonstrating the re-
markable qualities of the Scholl's
Foot comfort service, showing that
there is a Scholl's appliance for every
foot ailment.

Under Workmen's Compensation Law.
The awards of \$2184 granted re-
cently by the Ohio Industrial Com-
mission under the workmen's com-
pensation law to Mrs. Harley Kreager,
R. F. D. No. 4, Newark, and to
Mrs. W. H. Andrews of Toledo, will
be paid in bi-weekly installments for
six years. The awards were granted
for the death of Harley Kreager and
W. H. Andrews, who, on Aug. 19,
were killed by an explosion while
drilling in sand rock for the Edward
H. Everett Co. at Toledo. They
were both operating the same drill

when it unexpectedly came in con-
tact with an explosive. In addition
to his widow, Kreager was survived
by a son 15 years of age. Two
daughters besides the widow were
left by Andrews.

Announcement Birth.
Mr. and Mrs. W. S. Coen of 50
Spring street announces the birth of
a daughter on Oct. 4.

Increased Population.
According to the new city directory
just issued at Bucyrus that city has
a population of 8,709. This is a
gain of 587 over the government
census taken in 1910.

Society Meeting.
The Woman's Home and Foreign
Missionary Society of St. Paul's
Lutheran church, will meet with Mrs.
John Saur, 376 West Locust street,
Thursday at 2 p. m.

Bought Residence.
Mrs. Margaret McKenny of 35 Gay
street has purchased the property of
Mr. Fred Speer on West Locust
street and expects to move into it
very soon.

Moved into New Residence.
Mr. and Mrs. William Snooks, who
have been residing in the Williams
flat on Hudson avenue, have moved
into a residence on Arch street in
East Newark.

Fined for Speeding.
Fred Williams, arrested on af-
fidavit of Motor Cop Hurlbaugh was
arraigned before Mayor Bigbee on a
charge of speeding. He pleaded
guilty, was fined \$10 and costs, the
amount being suspended pending
good behavior.

Condition Improving.
The condition of Samuel Moss-
holder, who recently underwent an
operation at the City Hospital, con-
tinues to improve. Mr. Mossholder
is now at the home of Mr. Samuel
Weakly in North Fourth street.

Underwent Operation.
Mrs. John Cosgrove of Buena
Vista street, underwent an operation
for appendicitis at the City Hospital
on Tuesday. She rallied nicely from
the shock of the operation. The at-
tending physicians were Drs. U. K.
Easington and J. T. Harbottle.

"Uncle Bill" Tomorrow.
Donald Hall and Anita Stewart
will be seen at the Orpheum theatre
Thursday afternoon and evening in
a three act special, "Uncle Bill."
This is one of the good offerings of
Manager Siebanoller and all picture
lovers should not fail to witness it.

A Good Record.
The paid admissions to the Lick-
ing county fair this year will total
nearly 25,000. Those of the Marion
county fair were 26, 814, but then
the annual fair there is the one big
event in the year which is the mag-
net that draws the crowd, while in
Licking county there are a score of
events annually for the diversion and
amusements of its residents.

Attending Coshocton Fair.
Pennsylvania ticket agent J. L.
Worth sold about fifty tickets to Co-
shocton Wednesday on account of
the fair. There will also be several
dozen auto loads today and the
visitors from Licking county Thurs-
day and Friday will total consider-
able over a thousand providing the
weather is favorable. Wonder how
many from Coshocton county were in
attendance at the Licking county
fair?

Perfect Apple Specimens.
Mr. Samuel Wince, residing six
miles north of Hanover, brought to
the office of the Advocate on Wed-
nesday, two most perfect specimens
of apples. They were of the Wolf
River variety, and are the deepest
red, and one measured 13 inches in
circumference while the other mea-
sured 14 inches. Mr. Wince has
four trees of this variety and says
they will bear him 75 bushels of
apples.

Men's Union Organized.
The Advisory Committee of the
Christian Men's Union met at the
Y. M. C. A. last evening and discus-
sed plans for the work of that organi-
zation for the ensuing year. A com-
mittee of three men was appointed
to make nominations for the Advi-
sory Committee for the coming year.
These are: A. S. Mitchell, E. S. Ran-
dolph and A. R. Evans. This com-
mittee will report at the next open
meeting of the Union to be held at
the Second Presbyterian church next
Sunday afternoon at 3:00 o'clock.

WOMEN VOLUNTEERS

In stress of trouble the women
of a nation are always to be count-
ed upon. In Serbia the women
went to the front with muskets in
their hands, they were as strong and
brave as the men on the firing line.
In this country few of our women
escape the weakening troubles pecu-
liar to their sex.

For every disease or ailment of a
womanly character, no matter how
recent or how long standing, the one
sure, reliable remedy for proved
merit is Dr. Pierce's Favorite Pres-
cription.

Women should never experiment
with unknown preparations; the risk
is too great. Dr. Pierce's Favorite
Prescription is prepared from na-
ture's roots and herbs and does not
contain a particle of alcohol or any
narcotic. It's not a secret prescrip-
tion, but its ingredients are printed
on the wrapper.

Women are earnestly advised to
take it for irregular or painful peri-
ods, backache, displacement, cat-
arrhal condition, hot flashes, sallow
complexion and nervousness.
For girls about to enter woman-
hood, women about to become
mothers and for the changing days
of middle age Dr. Pierce's Favorite
Prescription should always be on
hand.

Any medicine dealer can supply it
in either liquid or tablet form. The
cost is modest, the comparative ben-
efits truly remarkable. Write Dr.
Pierce, Buffalo, N. Y., for free 136
page book on woman's diseases.
Every woman should have one.

Bankruptcy Petition.
Joseph S. Kuster, hotel man of
this city, has filed a petition in bank-
ruptcy in the United States court.
His liabilities are \$4178.04 and assets
\$312.75.

Read the West Column tonight.

AT ONCE! STOPS
STOMACH MISERY
AND INDIGESTION

Do some foods you eat hit back—
taste good, but work badly; ferment
into stubborn lumps and cause a sick,
sour, gassy stomach? Now, Mr. or
Mrs. Dyspeptic, get this down: Pape's
Diapiesin digests everything, leaving
nothing to sour and upset you. There
never was anything so safely quick,
so certainly effective. No difference
how badly you will get happy relief
in five minutes, but what pleases you
most is that it strengthens and
regulates your stomach so you can
eat your favorite foods without fear.

Most remedies give you relief
sometimes—they are slow, but not
sure. "Pape's Diapiesin" is quick,
positive and puts your stomach in a
healthy condition so the misery won't
come back.

You feel different as soon as
"Pape's Diapiesin" comes in contact
with the stomach—distress just
vanishes—your stomach gets sweet,
no gases, no belching, no eructations
of undigested food, your head clears
and you feel fine.

Go now, make the best investment
you ever made, by getting a large
fifty-cent case of Pape's Diapiesin
from any drug store. You realize
in five minutes how needless it is
to suffer from indigestion, dyspepsia
or any stomach disorder.

The Courts

Damage Case Filed.
Through his Attorney, James F.
Lingafelter, John H. Smith has be-
gun an action in the court of common
pleas against Julia Frost Carter,
asking damages in the sum of \$500.

The petition recites that on Oct.
1, 1914, plaintiff built and erected
a wire fence between his and de-
fendant's premises which was 82 1/2
feet east from Williams St.; that the
defendant did break down, injure
and destroy and remove the whole
of the wire fence.

Mr. Smith claims that he has been
damaged in the sum of \$500 and he
prays the court that the defendant
be restrained from molesting or tak-
ing possession, disturbing or break-
ing down or interfering with the
plaintiff in the full possession of his
property.

Carries Case Up.
The case of Daniel Coffman vs.
Will D. Harris, et al., has been taken
to the Court of Appeals by the
defendants, the latter giving bond in
the sum of \$100. The case relates
to the possession of a boat house at
Buckeye Lake, owned by Mr. Coff-
man and which defendants want re-
moved.

On Inspection Tour.
County Commissioners Ben. B.
Jones, F. R. Dunn and J. H. Orr
were making an inspection trip of the
Utica-Homer pike Tuesday. The
contractors were busy placing the
first course and the county officials
made a rigid inspection of the
materials over the entire course.

Marriage License.
Minoni Colleson, Hungarian labor-
er, and Miss Georgiana Bucur Mayor
R. C. Bigbee is named to officiate.

Real Estate Transfers.
E. G. Cathrell to George Wagen-
heim, lot 59 in Bellavista addition
to city, \$198.

Mary Downey to Kate Christie,
land in Bowling Green township,
\$150.

Samuel McCann to Mrs. Elsie V.
Evans, lot No. 5, Amherst addition,
\$575.

George Evans to George Neil, 139
acres in Newark township, \$1, etc.

The Mechanics Building & Loan
Co., to P. H. Cosner, part of lot 4-
999 and lot 5,000 \$1, etc.

Fred G. Speer to Margaret Mc-
Kenny, lot 31 in city, \$1, etc.

John L. Klem to Mary E. Adam,
outlot No. 63, city, exchange of real
estate.

Charles B. Hager to Lola M.
Klineck, lot 5012 city, \$1, etc.

Margaret McKinney to Fred G.
Speer, lots 4997, 4994 and 962 city,
\$1, etc.

OFFICERS RE-ELECTED.
The Licking county Association of
Scottish Rite Masons at a meeting
held Tuesday evening re-elected the
following officers:

President, W. W. Neal.
Vice President, A. L. Rawlins.
Secretary-Treasurer, John W.
Thompson.

Tyler, Joseph L. Worth.
Strangely, a man is most apt to
stand up for his rights when he feels
he hasn't any.

BAD BREATH

Dr. Edwards' Olive Tablets Get
at the Cause and Remove it

Dr. Edwards' Olive Tablets, the sub-
stitute for cathartics, do the work
of the cathartics, but do not irritate
the bowels. People who suffer from
bad breath, constipation, biliousness,
indigestion, headache, dizziness, etc.,
should take Dr. Edwards' Olive Tablets.
They do not irritate the bowels, but
cleanse them gently and naturally,
and the entire system is purified.

Dr. Edwards' Olive Tablets are
entirely natural, and do not irritate
the bowels. They are made from
pure olive oil, and are the only
cathartic that does not irritate the
bowels. They are the only cathartic
that does not irritate the bowels.
They are the only cathartic that
does not irritate the bowels.

Dr. Edwards' Olive Tablets are

5 CENTS—AFTER THE PICTURE SEE THE FINISHED PRODUCT AT GLEICHAUF'S.

OFFICIAL

ANNOUNCEMENT MADE FROM
PARIS OF VIOLENT FIGHT-
ING ON LEFT WING

German Offensive in Eastern Thea-
tre of War Has Been Com-
pletely Checked.

(ASSOCIATED PRESS TELEGRAM)
Paris, Oct. 7.—(3:30 p. m.)—The
following official communication was
given out in Paris this afternoon:

"On our left wing the battle still
continues with great violence. The
opposing fronts extend into the re-
gion between Lens (nine miles north-
east of Arras) and La Bassée, (11
miles southeast of Lille), and are
lengthened by masses of cavalry,
which are in groups as far as the
vicinity of Arras (three miles
northwest of Lille) and virtually on
the Belgian frontier.

On the front extending from the
Somme to the Meuse there is nothing
to report.

"In the Western district the enemy
made a new effort to stop our pro-
gress, but his attacks again failed.
In Russia the German army, de-
feated in the battle of Amiens, was
which lasted from Sept. 2 to Oct. 1,
endeavored to arrest the Russian
advance at several positions, then
the line of the Warbullen frontier.
At Lark the Russian troops continue
their advance, and at several places
they have penetrated into east Prus-
sia. To stop the German advance
the Russian command has been able
to command by a complete check in
the German line."

When a man says, "I am a Jew,"
fortune the most expect to be taken
at her face value.

It's false economy to use cheap-
looking stationery. You can't go
wrong if the Advocate prints it
